To Whom It May Concern;

I am writing to say how wonderful of a daycare Jenn's Little Bears is. My son has been coming here since he was 1 and he is now 5 and now going off to kindergarten.

My experience is that the people who work here are the best. My son gets all the love and nurturing that I would give him as if he was at home. The teaching that is given is unbelievable. He has learned so much here. The educators make you feel comfortable to approach, if you have any concerns they handle all situations a child could come across, and when you pick up they tell you what kind of a day your child has had.

If they did afterschool care my son would still be attending in September. I highly recommend Jenn's Little Bears.

Thank you,

Kim Johnston
